A Note About Orchid Beach:

Situated towards the north of Fraser Island on the ocean side, Orchid Beach is the perfect place for your holiday. Unlike the open stretch of beach from Hook Point to Indian Head, Orchid Beach offers sheltered fishing spots, protected beaches and many places of interest to visit nearby. To the North, Ocean Lake is situated 5 minutes up the beach, and a little further on there's Ngkala Rocks. For the adventurers Sandy Cape offers both wilderness and great fishing. To the South, Waddy Pt is the closest spot to visit, with its rocky headland, huge sand dunes and lagoons. A little further on are the beautiful Champagne Pools and the magnificent Indian Head.

How To Get There:

Orchid Sands is located at 5 Eliza Ave Orchid Beach. (Refer to maps.) Access is by 4WD only, and only possible at low tide. Barges are available from Inskip Pt to Hook Pt, Urangan to Moon Pt, River Heads to Kingfisher Bay or from River Heads to Woongoolba Creek.

The Inskip Pt (Rainbow Beach) barge operates daily from 6.00a.m. – 5.30p.m. (For useful details on permits etc, google www.fraserislandbarge.com.au or phone the Manta Ray barge 0418 872 599, UHF Channel 4). For bookings and information regarding all other barges, please phone 07 4125 4444. Permits are required to drive onto the island. These are available either online at www.derm.qld.gov.au, via the barge web site stated above, or by visiting the Qld Parks and Wildlife Service office on the right just as you come in to the township of Rainbow Beach.
